Minkey U9 Draw 2022

All games are played on FIELD 1

NOTES FOR THE UNDER 9 COMPETITION:

1- The cells in BLUE are where a CLUB has two games. This has been done so that we don't have a BYE in the round. Please ensure that you have enough players for when your second game is scheduled.
 2- Safety First - No hitting please. Strongly encourage push passes.
 3 - Whistles - These will be introduced in the second half of the season to prepare the older kids of the basic rules. These will generally be blown for the ball touching the feet, crowded play, bad tackles, touching the back of the stick etc.
 4 - Assistance prior to and at the end of the game - Can all clubs please ensure that representatives are available before and at the end of the games to help with setting the goals up and in packing the goals away.
